PROFILE

Experienced in research projects, writing intel reports and briefs. Ability to manage teams and teach high level material both personally and in front of large audiences. Comfortable working independently and as part of a team.

Experienced with customer service and training.

Highly motivated to learn new skills.

EXPERIENCE

Bookseller, Barnes and Noble — 2023-Present

- Responsible for handling customer transaction, upselling, and offering book suggestions.

System Implementer, Candiru — 2021-2022

- Constructed full on boarding and on going implementation materials of the company's Cyber product for both technical and non-technical international customers.
- Wrote user guides on different features and communicated them to customers.

Techno-Intelligence analysis Course instructor, Unit 8200, Military Intelligence — 2020-2021

- Designed, built, and taught a 16-week professional intelligence course.
- Edited and corrected my trainee's intel reports, making sure to send detailed update reports of their progress to the relevant managers.
- Managed the logistics of my trainees.

Techno-Intelligence analysis in English, Unit 8200, Military Intelligence — 2018-2020

- Was part of techno-intelligence operations that demanded achieving high goals under immense pressure, thinking outside the box quickly and efficiently with great self-assessment.
- Read and processed large amounts of texts in English and deducted relevant conclusions and wrote concise intel reports to be delivered to higher ranking officers.

EDUCATION
